Read Before Use

1 Your phone has been delicately designed and made, deserves to be taken good care of.
2 Do not use sharp objects to operate on touchscreen; when temperature is low, touchscreen will be less responsive, which is normal.
3 The product may be slightly warm when charging, which is normal. The product is equipped with temperature control system to ensure charging safety.
4 The product standby time and talk time may vary based on how the product will be used and different use habits.
5 The call quality may be influenced due to radio wave interference.
6 This product is not waterproof, please prevent water from entering watch, (if water entered, please switch off the phone immediately; use the product only after water completely dries up).
7 For better performance & display effect, do not use or place the product in dusty area.
8 If need to use other adaptor, please make sure its output voltage and current matches the original one.
9 Due to plug definition being different, other charging cable or earphone may not be compatible to use.

Safety Instructions

1 Keep the product & all accessories out of children's reach to prevent accidents.
2 Before driving, please prepare wired headset (or Bluetooth Headset) ready or switch to hands-free mode.
3 Turn off your phone on the plane or switch to flight mode, otherwise it may cause interference to the plane.
4 Use mobile phone very carefully when in gas station, oilfield, chemical plant or other hazardous areas, stick to the relevant regulations & terms.
5 Do not place the product in high humidity or high temperature area, otherwise the electric circuit may be interfered.
6 Please use and keep phone battery safely; When not using the product for a long period of time, please take the battery out of product.
7 Only our professional staff or assigned repair centre can disassemble or repair the product; trying to disassemble or repair by oneself may cause damage.
8 Use only accessories & battery approved by our company, otherwise it might cause trouble or damage to the phone.
