Parameter

Battery voltage: 3.7V 4000MAH

Charging time:8 hours

Loudspeaker size:40MM x 2, 4Ω3W

Unit weight: :260G

Product size: φ160*60*36mm

Troubleshooting

1.Hands-free call is only available at BT connected status;Still the phone call could be interfered with high frequency electromagnetism.People should try not to use this product under high frequency environment.

2.Bluetooth is a bidirectional transmitting protocol;transmitting distance is highly related to audio player.Compatible BT players are recommended.

3.Some terminal players are without automatically switching play function.In this case,POP noise will exist in the interval of every 2 songs.

4.When BT transmitting devices cannot be connected,please delete the rest BT receiving devices name on the list.Re-activate Lepa,re-searching an re-pairing.

5.The sound perormance could also be affected when BT transmitting devices is under poor signal environment,or under low battery capacity.

6. Touch the ineffective :hands don't put on the touch panel, restart the bluetooth speaker.
