Digital Color Screen Mobile Phone User Manual

■ Before Start

1. Using T-Flash Card

You can use T-Flash card to enlarge your phone's memory capacity. The memory card slot is back in the phone.

2. Battery

Batteries have been charged to 50% full. It can be used after unpack. The first three times batteries must be totally discharged before charging. It will help to prolong the batteries lifespan and working quality

3. Power on or off

Power on: hold the End key to turn on the phone. If necessary, enter the PIN and phone password then press OK key.

Power off: hold the End key to turn off the phone.

■ Basic functions

1. Making a call

When cellular network service provider shows on the screen, you can receive or make a call through network. The received signal strength is shown on the up left corner of the screen (maximum 4 lines—best signal condition).

2. Answering a call

To answer a call, press the **Send key.**

To reject a call, press the **End key**.

To adjust the volume of ringing tone, press **Up** and **Down** key.

If any key to answer is switched on, you can press any key to answer it (except End key, Right soft key). Otherwise press Send key or Left soft key and select Answer to answer the call. If the ear phone is connected, you can answer a call though ear phone.

3. Emergency call

If you are in the area covered by network service, you would be able to make Emergency call. If the cellular network service does not cover that area, ONLY EMERGENCY shows on the screen. That means you are not in the service area of the network only the EMERGENCY call can be connected. If you are in area covered by network service, the Emergency call can be made without inserting SIM card.

4. During a call

During the call , you can press Right soft key to switch between hand-free mode and normal mode. Press Left soft key to get into option menu. The option menu is similar with Function menu. It is only possible to get into option menu during a call. The functions such as on hold, forward or making a multiparty call need network support. Please contact your network service provider for detail.
