Features and Functions

- DVD
- Super-slim design
- Digital technique, sharp image and no interference
- FM Frequency scale: FM87.7MHz/FM87.9MHz/FM88.1MHz/
  FM88.3MHz/FM88.5MHz/FM88.7MHz/FM88.9MHz/FM89.1MHz.
- Dual IR Transmitter
- Audio/video input and output
- Full function remote control
- USB/SD/Wireless games
- Built-in speakers

Specifications

Size of screen: 10.1 inch
Pixel: 9 inch, 800×3RGB×480
Rated voltage: DC12V(voltage range:10V-14V)
Power: about 12W
## Appearance and Functions

1. Power switch and video switch
2. Next
3. Last
4. Disc in/out
5. IR window
6. Volume-/analogue-
7. Menu/play/pause
8. Volume+/analogue+
9. Remote window
10. Disc in/out mouth
11. USB port
12. SD port
13. Earphone jack
14. Video 2 input
15. Power/AV input/output
16. DC 12V Jack

### GAMEPAD (Optional)

- Enter
- Reset
- Pause
- Function key
- 8-bit direction key

## Remote Control (Standard)

1. PBC/MENU
2. POWER
3. TFT/MENU
4. DISPLAY
5. Direction key (▲▼▼▼)
6. REPEAT
7. SETUP
8. OPEN
9. Fast forward/backward play
10. Play/Pause
11. Stop
12. Number key
13. DVD/AV switching
14. SUBTITLE
15. AUDIO
16. SLOW
17. ZOOM
18. Previous/Next
19. VOL+/VOL-
20. USB/SD
21. ENTER
22. PROGRAM
23. MUTE
24. TITLE
25. Wireless game control key
Remote control (Optional)

Battery installation diagram for remote control

Attention:
1. do not directly touch infrared light
2. do not press remote control when disassembling the battery cover of remote control
3. take out battery when rarely using
4. normally, battery life is about one year, replace battery when the remote control is not sensitive.

Cautions:
In order to prevent the battery leakage, if the remote controller shall be not used for long time (longer than one month), please take out the battery, if there is liquid flowing out, wipe away carefully and then reload the new battery.
Installation

1. Take out the machine, remove the screws. Unplug support plastic parts and take off the U-shaped sheet iron on both sides of the bracket, then pull out the plastic ring.

2. Rising the original headrest, then according to the diameter of the original car headrest iron pole to choose the right plastic ring and apart it and grip on the original car headrest iron (the ring plane toward to the middle of the two iron), then insert the U-shaped iron plate to fixed the two plastic ring.

3. Put the plastic bracket parts in between two iron plates, at the same time, push the U-shaped iron plates and insert them into plastic bracket, and adjust it to make sure it be in the middle of two iron poles.

4. Hold up unit, insert the metal plate in black of the unit into plastic bracket parts, then adjust it to the right angle and fix it tightly, at last lower the original car headrest to the appropriate position.

Operation of DVD system

Play DVD/DCD/CD

When put the disc into the DVD mouth, please keep the label toward back. Automatically play.
