Thank you for choosing our product. We hope you will enjoy it very much.

Safety instructions
Read this manual carefully before putting the appliance into operation and keep this manual for future reference.
- Keep the device away from heat, direct sunlight and sharp edges.
- Keep the device away from naked flames.
- Do not insert any metal object into the device.
- Risk of short circuit!
- To avoid a static charge, do not use the device in an extremely dry climate.
- Do not repair the unit yourself but contact an authorised specialist.

Accessories included
1 pc USB charging cable

Charge integrated Battery
This Bluetooth speaker is powered by integrated rechargeable lithium battery. Charge the battery as follows:
1. Insert the charging cable into the DC 5V socket on the unit. Connect the USB plug into a PC or AC/DC adaptor. The LED indicator turns red and the battery is being charged.
2. When the battery is fully charged, the red LED indicator goes out.

Pairing BTS-06 to mobile phone or other device
Activate the Bluetooth speaker’s pairing mode by pressing and holding the on/off button for about 6 seconds until the red LED and blue LED are flashing alternately. Now the speaker is ready for pairing.
Tips:
Please make sure the speaker is in power off mode when trying to activate the pairing mode.

Button description
