Open the rear cover

Open the back cover as per the arrows direction.
(Hint: be careful not to injure your fingers!)

Installing the SIM/SD Card and Battery

Switch off your phone before installing or replacing the battery, SIM, or memory card.

1. Remove the back cover.
2. Hold the SIM card with the cut corner oriented as shown and slip it into the card holder.
3. Insert the memory card into the card slot with the metal contacts facing down until it inserts to the right position.
4. Insert the battery by aligning the gold contacts on the battery with the gold contacts in the battery compartment. Gently push down on the battery until it clicks into place.
5. Press the cover gently back into place until you hear a click.

Inserting Sim card & SD card:

Inserting the Battery:
