4. Phone call

4.1 Making calls

There are several considerations to make when placing a call:

1. Ensure you have the correct phone number for the person you wish to contact.
2. Check that your phone is turned on and has a charged battery.
3. Confirm your location services are enabled.
4. Check for any network coverage issues.

To make a call, simply:

1. Press REDIAL, and then dial the number.
2. Enter the number you wish to call, then press SEND.
3. Answer the call when it rings.

To end the call,:

1. Press END-KEY, and then hang up.
2. Confirm the call has been completed.

Note: Always adhere to the rules and regulations set by your service provider.
