End-User License Agreement

Please read this agreement carefully before using the product. Please ensure:

1. Do not dismantle the device for improper purposes.
2. Do not read and refresh the firmware of the device by improper means.
3. Do not conduct inverse engineering and disassembling for related software and codes of the player.
4. The device and this license agreement can be transferred to a third party who accepts the terms and conditions of the agreement. When you transfer the full or part of the device to a third party, the license agreement for you to use the device terminates automatically.

How to use this user Manual

Please read this user manual carefully before using the device. The content of the manual as well as the hardware and software of the device have been processed with intensive care. No responsibility is assumed for any direct or indirect losses arising from hardware damage, program damage, file loss or system breakdown due to improper operations. As you have carefully read this agreement, it is ensured that the terms and conditions have been fully understood and will be strictly followed.

Precautions

Please carefully read and pay close attention to the following before using the device:
1. Do not expose the device to rains or damp environments to prevent fire or electric shock.
2. Do not expose the device to moisture, dripping or splashing in order to reduce the danger of fire electric shock or device damage.

Safety Instructions

1. Use the original adapter for the product, and do not share an adapter with any other devices.
2. Do not place the power cord and plug of the adapter near heat sources.
3. Do not dismantle and repair the adapter and its power cord.
4. Do not open the enclosure of the device to ensure your safety. Please ask trained professionals to conduct maintenance if necessary.

Maintenance Tips

1. The device is of complicated and sophisticated structure, so only trained professionals are allowed to open the device to prevent damage from happening.
2. Do not dismantle components of the device on your own. The warranty mark will be invalid automatically if you dismantle and repair the device on your own.
3. Please contact our local warranty department to arrange for maintenance if necessary. To replace devices or accessories, please select the original ones designated by the manufacturer.
