

PRODUCT USAGE MANUAL

Light power bicycle lights, headlight

1. Using CREE XML-T6 LED light, 1300 lumens.
Life of led is 100,000 hours.
2. Intelligent circuit control, fourth gear dimming memory circuit.
 - (1) light: current 2500mA, brightness 1300LM
 - (2) Light: current 2000mA, brightness 900LM
 - (3) low-light: current 1200mA, brightness 300LM
 - (4) a stall for 3 seconds to enter Strobe mode: current 2500mA, brightness 1200LM
 - (5) compatible voltage 4. 2V
3. Vacuum plating cup orange surface, high temperature, anti fall off, concentrating the Perfect effect;
4. Shell aviation aluminum alloy, CNC machining, anodizing surface treatment.
5. Combined with four 18650 batteries, capacity: 6000mAh Voltage: 4. 2V, can work for 3-4 hours
6. Waterproof design, O type ring, blasting rain still normal use;
Features: 1. Can be fixed on a bicycle, use as a lamp; 2. With Elastic rubber band caps, with the lamp when the headlights use.
7. Note:
 - A. Charge in a safe place when you were
 - B. Do not disassemble the battery pack, so as not to affect product performance and safety hazard

WARRANTY CARD

The Company products in strict accordance with product quality certification System of quality control standards, in order to ensure that the broad use of Households on the product without worrying about the vast number of customers, The company's serious commitment to our clients

1. Year from the date of purchase, the normal use, The failure by the Company free repair.
2. Within one year, due to misuse or damage caused by self-demolition, in addition to a cost-recovery, also processing fees.
3. The following is not within the scope of warranty, maintenance only service, but charge labor costs and production cost;
 - (1) damage to all man-made factors, including non-normal environment Use, beyond the normal use or improper storage Damage caused, etc.;
 - (2) user unauthorized removal, to repair, modification or Without the authorization of the unit repaired; not A warranty card and valid documents
 - (3) the adverse own transport or other force majeure (Such as fire, flood, earthquake, etc.) caused by Damage.
4. The company has the right to interpret these provisions
