## Parameter

Battery voltage: 3.7V 400MAH

Charging time:3 hours

Loudspeaker size:40MM 4  $\Omega$  3W

Unit weight: 100g

Product size: 109\*70\*36mm

## Troubleshooting

1.Hands-free call is only available at BT connected status;Still the phone call could be interfered with high frequency electromagnetism.People should try not to use this

product under high frequency environment.

2.Bluetooth is a bidirectional transmitting protocol;transmitting distance is highly

related to audio player.Compatible BT players are recommended.

3.When BT transmitting devices cannot be connected,please delete the rest BT

receiving devices name on the list.Re-activate Lepa,re-searching an re-pairing.

4.The sound performance could also be affected when BT transmitting devices is under poor signal environment,or under low battery capacity.
