# Instructions (English)

STEP 1
Open your speaker
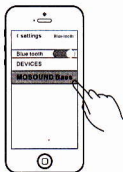

Turn on your MOSOUND BASS switch, and the indicator flashes in blue as the speaker searches for a Blue tooth-enabled device.

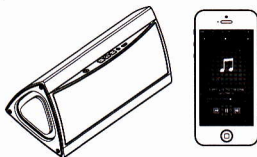

STEP 2
Setup your device

Turn on your device's Blue tooth (refer to your device's user's guide).

STEP 3
Pair your speaker

When MOSOUND BASS appears in the Blue tooth devices list, pair it with your device.

STEP 4
Music control

You can control your speaker through your device or with the speaker's buttons.

Please refer to http://mocreo.com for more detailed user's guide.
