- Do not attempt to disassemble your ERI; it does not contain serviceable components.
- Never allow children or pets to play with the ERI; the small components may be a choking hazard!

Built-in Battery Precautions

Built-in Battery Precautions

- Do not attempt to replace your ERI's battery. It is built-in and not changeable.
- Charge your ERI using a certified computer, powered hub or power supply.
- Charge the battery in accordance with the instructions supplied with this guide.
- Use only the charger adapter that shipped with your product to charge the battery.

Disposal and Recycling Information

The symbol on the product or its packaging signifies that this product has to be disposed separately from ordinary household wastes at its end of life. Please kindly be aware that this is your responsibility to dispose electronic equipment at recycling centers so as to help conserve natural resources. Each country in the European Union should have its collection centers for electrical and electronic equipment recycling. For information about your recycling drop off point, please contact your local electrical and electronic equipment waste management authority or the retailer where you bought the product.

Le symbole sur le produit ou sur son emballage signifie que ce produit à la fin de sa vie doit être recyclé séparément des déchets ménagers ordinaires. Notez que ceci est votre responsabilité d'éliminer les équipements électriques à des centres de recyclage afin d'aider à préserver les ressources naturelles. Chaque pays de l'Union européenne a ses centres de collecte et de recyclage pour le recyclage des équipements électriques et électroniques. Pour plus d'informations ou trouver un centre de recyclage, contactez votre commune ou le magasin où vous avez acheté le produit.
